### Today's Starting Five:

- Missouri S&T continues its four-game swing away from home Saturday afternoon when it takes on Truman State in a 3 p.m. game in Kirksville, Mo. The Miners opened the trip with an 85-81 setback at Quincy Thursday to drop to 8-9 and 2-8 in the Great Lakes Valley Conference, while Truman moved to 16-4 and a GLVC West-leading 8-2 after blasting Drury 93-60 Thursday night.
- The Miners are in the midst of a four-game stretch on the road -- where it is facing Quincy, Truman Southern Indiana and Bellarmine -- against four teams that enter competition on Saturday with a combined record of 69-12. Taking away the games the four teams have played against one another, the record against other competition currently stands at 63-6.
- With his four assists on Thursday against Quincy, Juwan Miller is now in seventh place on S&T's career list for assists as he has now accumulated 241 as a Miner. Miller, who is 10 behind Bill Jolly for sixth, became the first Miner to reach double figures in assists since Feb. 5, 2015, when Danylo Zuikov had 13 to set the S&T single game record. Against Rockhurst on Jan. 19, Miller became the first Miner since Kerry Darting on Nov. 15, 2003 to record a double-double in points and assists in a game.
- Not only has Juwan Miller reached a top 10 list at S&T, so has Danylo Zuikov with his three-point shooting. Zuikov enters Saturday's game with 150 career treys, which rank eighth on the Miners' all-time list.
- The Miners' 12-of-12 performance at the free throw line in the Dec. 7 win over Robert Morris-Peoria marked the first time that an S&T team had not missed a free throw in a game since Feb. 10, 2011, when the Miners went 10-of-10 in a win at Maryville. It was the most made in a game with a miss since Feb. 11, 2004, when the Miners were 16-of-16 at the line in a win at Central Missouri; the Dec. 7 contest marked just the third time since then in which an S&T team made all of its free throw attempts in a game.

## About the Opponent

### Truman State:

The Bulldogs currently lead the GLVC West with an 8-2 conference record and are 16-4 overall after routing Drury 93-60 Thursday night in Kirksville. Truman got 23 points -- including seven three-pointers from Nathan Messer -- to record its fourth straight win and stay one game in front of Quincy in the GLVC West.

Jake Velky leads a balanced scoring effort for the Bulldogs with an average of 17.6 points per contest and is scoring just short of 20 per game in GLVC play. He ranks sixth in the league in scoring and second to Messer in three-point baskets for a team that is fifth in NCAA Division II and first in the conference with 11.8 treys per game.

Four Bulldogs are averaging in double figures, with Cory Myers scoring 14.2 points a game, Messer at 13.6 a contest and Connor Erickson scoring 10.7 per game. Erickson is also the Bulldogs' leader on the boards with 6.5 per game, while Dwight Sistrunk has dished out a team-high 88 assists while scoring just under eight points a game.

Truman's 44.8 percent mark from three-point range is the best in Division II and the Bulldogs are one of only three teams in the D-II ranks with two players among the top 28 in successful three-point field goals.

### Series vs. Truman State:

The Bulldogs hold a 95-47 lead in a series that dates back to 1923, as the teams squared well over 100 times while playing together in the Mid-America Intercollegiate Athletics Association. Since S&T left the MIAA, the teams have played only four times and three of them have come since Truman became a GLVC member in 2013.

Truman has won all three GLVC matchups, including an 82-69 win in Rolla last season. The last meeting at Pershing Arena -- where Truman has a 51-17 advantage -- ended up at 109-105 in the Bulldogs' favor in overtime. S&T's last victory in Kirksville came on Feb. 25, 2004 by a count of 82-63.

## Projecting it out...

With Missouri S&T's season essentially at the midpoint this week -- nine regular season games remain on the schedule -- a number of Miners are on pace to reach some particular marks for a single year at S&T.

With 88 assists on the year, Juwan Miller is on pace to finish with 129 assists, which would be the fourth-best mark in a season all-time. Meanwhile, at his current rate, Jalen Myers will finish the year with 67 three-point baskets, which would be just shy of the top 10 for a single year. However, even if he doesn't reach the 10th place spot of (72), Myers is on pace to record the most three-pointers in a season by a Miner since Jermaine Burks made 75 in the 2004-05 campaign.

No Miner has finished a season shooting 60 percent or better from the field (with three field goals made per game) since Brian Westre in 2003-04, but Dulan Scott has a chance to reach that mark as he is at 60.2 percent on the year. In addition, the Miners have had at least one player shoot 40 or better from three-point range in each of the last three years (with one made per game) and currently have two players (Ervin Sarajlic and Myers) over that 40 percent threshold.

## Hitting the offensive glass:

The Miners finished last season as the top-ranked offensive rebounding team in the GLVC, pulling down just under 14 per game. That mark ranked 14th in NCAA Division II in that category.

S&T has an average of 13.4 offensive rebounds in the first 17 games of this season, which leads the GLVC heading into Thursday's contest. Rokas Paulauskas, who has 53 boards on the offensive end, leads the GLVC with 3.12 per game.

## Miners at charity stripe:

Missouri S&T finished last season as one of the top free throw shooting teams in the GLVC, ending up sixth with a mark of 75.1 percent. The Miners had eight regulars all connect on at least 70 percent of their attempts and had four at better than 80 percent.

In the Nov. 16 win over Lincoln, S&T went 19-of-23 at the free throw line and made all seven of its attempts in the final five minutes of play, including six in the last 28 seconds. On Nov. 25, the Miners were 25-of-27 at the line and went eight-of-eight in the final 1:08 to beat Missouri Southern. S&T also had a perfect game at the charity stripe in its Dec. 7 win over Robert Morris-Peoria, as it made all 12 of its tries that night.

Since the start of the 2013-14 season, Miner teams have made 72.8 percent (2,076 of 2,850) of their tries at the free throw line.

## Three-point shooting:\*

The Miners have made at least one three-point basket in 808 of the 811 games they have played since the three-point shot went into effect at the start of the 1986-87 season. At one point in the stretch, S&T had made at least one three-pointer in 597 consecutive games.

Missouri S&T hit 212 three-pointers last season, the 10th time in the 30 years in which the three-point shot has been part of college basketball in which the Miners have made at least 200 in a season. S&T, with 167 treys on the year, has hit at least 10 three-pointers in 11 of its 17 contests this season, averaging 9.8 per game -- a mark which ranks 25th in NCAA Division II.
