### Today's Starting Five:

- Missouri S&T will look to solidify its position in the Great Lakes Valley Conference Tournament race Thursday as it opens its final regular season road trip at Missouri-St. Louis. Both teams come into the game at 4-11 in the GLVC, with the Miners at 10-12 overall and UMSL at 10-15. S&T is coming off a 102-88 win over McKendree that snapped a three-game losing streak, while the Tritons have dropped six of their last seven.
- Randy Holmes was named Monday as the GLVC Player of the Week, marking just the second time since S&T joined the league that one of its players has earned the weekly honor. Holmes averaged 23 points and 7.5 rebounds in two games last week while shooting 69 percent (20-of-29) from the field; he posted his two highest point totals of the season, headed by his career high 24 points against Illinois Springfield.
- Juwan Miller continues to reach milestones in the assist category, as he tied the S&T single-game record with 13 in Saturday's win over McKendree. He is one of 33 players in NCAA Division II with a 13-assist outing this season. With 117 assists on the year, he is just the second Miner in history with back-to-back 100-assist seasons and is also the first Miner since Bryce Foster in the 2013-14 season to have a double-double in points and rebounds as well as in points and assists in the same season.
- Juwan Miller has 270 career assists, which ranks sixth on the all-time list at S&T and Danylo Zuikov, one of three seniors on the Miner roster, is also in the top 10 for career three-pointers with 153 -- a mark that ranks eighth on S&T's all-time list.
- S&T, which has hit 10 or more three-point baskets in 15 of its 22 games this season, has now made 200 or more three-pointers in three of the last four seasons as it has 222 coming into Thursday's game. If the Miners stay at their current pace (10.1 per game), they will finish the year with their second-most in a year in school history.

## Projecting it out...:

With Missouri S&T's season into the final month -- three regular season games remain on the schedule -- a number of Miners are on pace to reach some top marks for a single year.

With 117 assists on the year -- the third-most in the GLVC -- Juwan Miller is on pace to finish with 133 assists, which would tie the third-best mark in a season all-time. He reached the 100-assist mark for the season last Thursday, making him just the second Miner in the history to have 100 or more in back-to-back seasons. The other was DeAndre Johnson, who had 111 assists in 2002-03 and 108 the following year.

Meanwhile, at his current rate, Jalen Myers will finish the year with 67 three-point baskets, which would be just shy of the top 10 for a single year. However, even if he doesn't reach the 10th place spot of (72), Myers is on pace to record the most three-pointers in a season by a Miner since Jermaine Burks made 75 in the 2004-05 campaign.

No Miner has finished a season shooting 60 percent or better from the field (with three field goals made per game) since Brian Westre in 2003-04, but Dulan Scott has a chance to reach that mark as he is at 60.4 percent on the year. In addition, the Miners have had at least one player shoot 40 or better from three-point range in each of the last three years (with one made per game) and currently have two players (Ervin Sarajlic and Myers) over that 40 percent threshold; both have made enough treys for the year to qualify.

## Hitting the offensive glass:

The Miners finished last season as the top-ranked offensive rebounding team in the GLVC, pulling down just under 14 per game. That mark ranked 14th in NCAA Division II.

S&T has an average of 12.6 offensive rebounds in the first 22 games of this season, which is third in the GLVC heading into Thursday's contest. Individually, Rokas Paulauskas, who has 64 offensive boards, is second in the GLVC with three a game.

## Miners at charity stripe:

Missouri S&T finished last season as one of the top free throw shooting teams in the GLVC, ending up sixth with a mark of 75.1 percent. The Miners had eight regulars all connect on at least 70 percent of their attempts and had four at better than 80 percent. This year's team is at 73.4 percent heading into Thursday's game.

In the Nov. 16 win over Lincoln, S&T went 19-of-23 at the free throw line and made all seven of its attempts in the final five minutes of play, including six in the last 28 seconds. On Nov. 25, the Miners were 25-of-27 at the line and went eight-of-eight in the final 1:08 to beat Missouri Southern. S&T also had a perfect game at the charity stripe in its Dec. 7 win over Robert Morris-Peoria, as it made all 12 of its tries that night.

## Three-point shooting:

The Miners have made at least one three-point basket in 813 of the 816 games they have played since the three-point shot went into effect at the start of the 1986-87 season. At one point in the stretch, S&T had made at least one three-pointer in 597 consecutive games.

S&T, with 222 treys, is averaging 10.1 per game this year -- a mark which ranks 18th in NCAA Division II. The Miners have now made 200 three-pointers in three of the last four years and in 10 different seasons since the three-pointer came into effect.
