Today's Starting Five:

- Missouri S&T will look to possibly clinch a berth to the Great Lakes Valley Conference Tournament Saturday afternoon as it takes on Maryville in St. Louis. The Miners rallied from a 17-point deficit Thursday to knock off Missouri-St. Louis 69-66 to move to 5-11 in the GLVC and 11-12 overall. Maryville, who lost a three-point decision to Drury 68-65, is 8-20 and 2-14 in conference play.
- The Miners, who are currently 10th in the overall GLVC standings, can clinch a berth to the GLVC Tournament with a win today and a loss by either Missouri-St. Louis, William Jewell or Saint Joseph's. If S&T makes the tournament field, it will play an opening round road game on Sunday, Feb. 26 against an opponent to be determined.
- Randy Holmes was named Monday as the GLVC Player of the Week, marking just the second time since S&T joined the league that one of its players has earned the weekly honor. Holmes averaged 23 points and 7.5 rebounds in two games last week while shooting 69 percent (20-of-29) from the field; he posted his two highest point totals of the season, headed by his career high 24 points against Illinois Springfield.
- Juwan Miller continues to reach milestones in the assist category, as he tied the S&T single-game record with 13 in last Saturday's win over McKendree. He is one of 34 players in NCAA Division II with a 13-assist outing this season. With 123 assists on the year, he is just the second Miner in history with back-to-back 100-assist seasons and is also the first Miner since Bryce Foster in the 2013-14 season to have a double-double in points and rebounds as well as in points and assists in the same season.
- S&T, which has hit 10 or more three-point baskets in 15 of its 23 games this season, has now made 200 or more three-pointers in three of the last four seasons as it has 230 coming into Saturday's game. If the Miners stay at their current pace (10 per game), they will finish the year with their second-most in a year in school history.

Projecting it out...:

With Missouri S&T's season heading down the stretch -- two regular season games remain on the slate -- a number of Miners are on pace to reach some top marks for a single year.

With 123 assists on the year -- the third-most in the GLVC -- Juwan Miller is on pace to finish with 133 assists, which would tie the third-best mark in a season all-time. He reached the 100-assist mark for the season last Thursday, making him just the second Miner in the history to have 100 or more in back-to-back seasons. The other was DeAndre Johnson, who had 111 assists in 2002-03 and 108 the following year.

Meanwhile, at his current rate, Jalen Myers will finish the year with 68 three-point baskets, which would be just shy of the top 10 for a single year. However, even if he doesn't reach the 10th place spot of (72), Myers is on pace to record the most three-pointers in a season by a Miner since Jermaine Burks made 75 in the 2004-05 campaign.

No Miner has finished a season shooting 60 percent or better from the field (with three field goals made per game) since Brian Westre in 2003-04, but Dulan Scott has a chance to reach that mark as he is at 58 percent on the year. In addition, the Miners have had at least one player shoot 40 or better from three-point range in each of the last three years (with one made per game) and currently have three players (Myers, Ervin Sarajlic and Telloy Simon) over that 40 percent threshold; all three have made enough to qualify.

Hitting the offensive glass:

The Miners finished last season as the top-ranked offensive rebounding team in the GLVC, pulling down just under 14 per game. That mark ranked 14th in NCAA Division II.

S&T has an average of 12.8 offensive rebounds in the first 23 games of this season, which is third in the GLVC heading into Saturday's contest. Individually, Rokas Paulauskas, who has 73 offensive boards, leads the GLVC with 3.3 per game.

Miners at charity stripe:

Missouri S&T finished last season as one of the top free throw shooting teams in the GLVC, ending up sixth with a mark of 75.1 percent. The Miners had eight regulars all connect on at least 70 percent of their attempts and had four at better than 80 percent. This year's team is at 73 percent heading into Saturday's game.

In the Nov. 16 win over Lincoln, S&T went 19-of-23 at the free throw line and made all seven of its attempts in the final five minutes of play, including six in the last 28 seconds. On Nov. 25, the Miners were 25-of-27 at the line and went eight-of-eight in the final 1:08 to beat Missouri Southern. S&T also had a perfect game at the charity stripe in its Dec. 7 win over Robert Morris-Peoria, as it made all 12 of its tries that night.

Three-point shooting:

The Miners have made at least one three-point basket in 814 of the 817 games they have played since the three-point shot went into effect at the start of the 1986-87 season. At one point in the stretch, S&T had made at least one three-pointer in 597 consecutive games.

S&T, with 230 treys, is averaging 10 per game this year -- a mark which ranks 19th in NCAA Division II. The Miners have now made 200 three-pointers in three of the last four years and in 10 different seasons since the three-pointer came into effect.
