## MEN'S SOCCER RECORDS -- All-America Selections

Spencer Brinkmeyer (2010): Brinkmeyer was chosen to the Daktronics All-America squad as a back after earning first-team All-GLVC honors in each of those seasons. He was named as a third-team All-America selection after the 2010 season as the Miners ranked in the top 11 in NCAA Division II in three defensive categories,

Pat McNamee (2010): McNamee was named to the NSCAA's All-America second team and to the Daktronics All-America team as an honorable mention pick following an outstanding junior season in which he was named as the top defensive player in the GLVC. In 2010, McNamee recorded a 0.67 goals against average in 1,484 minutes of play and set a school record with nine shutouts out of the team's 11 for the season. He ranked eighth in NCAA Division II in goals against average and 12th in save percentage that year.
