Missouri S&T Athletics

Pre-Season Guide For Visiting Teams

Campus overview

Missouri S&T is one of the top technological research universities in the nation. Surrounded by Ozarks scenery (Rolla is about 100 miles west of St. Louis), the campus is accessible, safe and friendly. Known for its engineering programs, S&T also offers degrees in the sciences, liberal arts, humanities and business. Over 8,500 students are currently enrolled in classes, making S&T big enough to accommodate a diverse population but small enough for individuals to stand out.

S&T students are expected to actively participate in the processes of getting an education, whether that means joining a student design team, participating in intercollegiate athletics, conducting research with faculty members, helping to assure safe drinking water in a Central American community, or planning activities for the campus's next St. Pat's celebration. Upon graduation, these experienced students are in extremely high demand by companies across the nation and around the world.

Without exceptional faculty members and involved alumni, it wouldn't be possible to give these students a world-class education. The campus currently employs astronauts, bridge builders, chemists, filmmakers, historians, pyrotechnicians, rocket scientists, solar energy experts and video bloggers. S&T graduates, many of whom give time and money back to the university, work on the International Space Station, play professional poker, run NASCAR teams, search for cancer cures, win Academy Awards and lead Fortune 500 companies.

S&T is a campus in motion. With more than 200 student organizations on campus, there's a place for everyone to get involved. Students can be seen pedaling human-powered vehicles in the shadow of Toomey Hall, the new mechanical and aerospace engineering complex, or building solar-powered cars and houses. Mining engineers are growing oil-producing algae underground while materials scientists are learning how to mend broken bones with glass in their laboratories.

Founded in 1870, the University of Missouri School of Mines and Metallurgy was the first technological institution west of the Mississippi River. One of four campuses in the University of Missouri System, the name was changed to the University of Missouri-Rolla in 1964 and changed to its current name of Missouri University of Science and Technology in 2008.

Athletics Department Mission Statement

Intercollegiate athletics at Missouri S&T are conducted in a manner to protect and enhance the physical and educational welfare of student-athletes. Intercollegiate sports provide highly-skilled athletes the opportunity to develop their abilities in an environment which promotes scholarship, leadership, sportsmanship and loyalty to the institution. A student-athlete's behavior shall at all times reflect the high standards of honor and dignity that characterize participation in competitive sports in the collegiate setting. The S&T athletics program shall be maintained as a vital component of the educational program, with the student-athletes being an intregal part of the student body. the admission, academic setting and academic progress of student-athletes shall be consistent with policies and standards adopted by the institution for the student body in general.

GENERAL INFORMATION -- ALL SPORTS

Tickets/Pass List

There is no pass list for visiting teams for events at Missouri S&T, in accordance with Great Lakes Valley Conference regulations. For ticket information for football, soccer, volleyball and basketball games hosted by Missouri S&T, please call (573) 341-4175.

Press/Media

Statistics will provided for all home events by the sports information office. Please contact John Kean, sports information director or Luke Rinne, assistant sports information director, for press arrangements at (573) 341-4140; all requests will be honored on a first-come, first-serve basis. Visiting radio lines are available for broadcast media at Allgood-Bailey Stadium and the Gale Bullman Multi-Purpose Building, with wireless internet available at all of S&T's home athletic venues.

Officials

Officials are assigned by the Great Lakes Valley Conference or an officials organization which is affiliated with the conference. Contractual agreements are honored for split crews if applicable.

Practice Times

All practice times for visiting teams must be coordinated through the coaching staff of that particular sport. A list of the coaches, with telephone numbers and e-mail addresses, can be found on page 3.

Spirit Groups/Bands

Visiting teams should notify the Missouri S&T athletics office at (573) 341-4175, if they plan to bring spirit groups or a pep band. This will facilitate entry to the event.

Locker Room Facilities

Locker rooms are located in the Gale Bullman Multi-Purpose Building.

Amenities

Water, cups and ice are provided to visiting teams. Soft drinks and sport drinks are provided on occasion for specific sports. Bench towels are provided for certain sports; however, shower towels are not provided.

Athletic Training Services

Athletic training rooms are located on the ground level of the Gale Bullman Multi-Purpose Building and the Kaczmarek Sports Medicine Center in the Student Health Services building, located on 10th Street north of Allgood-Bailey Stadium. For your convenience, the traditional training items will be available during your practice (water, cups, ice bags, biohazard materials, etc.). Some sports require specialized items and these will be provided for those contests. If your team is not going to be accompanied by an athletic trainer, please notify us prior to your arrival so a Missouri S&T trainer can provide whatever assistance is needed. If you have any questions or special needs, please call (573) 341-4107 at the Bullman Multi-Purpose Building or (573) 341-6240 at the Kaczmarek Center.

For emergencies, Phelps County Regional Medical Center is located one-half mile west of the S&T athletic facilities.

DIRECTIONS TO ROLLA

From St. Louis International Airport:

Exit St. Louis International Airport onto I-70 West ... take I-70 West to I-270 South (Memphis exit) ... take I-270 South approximately 15 miles to I-44 West (Tulsa exit) to Rolla. Exit at U.S. 63 (Exit 186), turn left and stay on U.S. 63 until you reach 10th Street ... turn right onto 10th Street, drive past the Gale Bullman Multi-Purpose Building and turn left into the parking lot prior to reaching Allgood-Bailey Stadium.

From Springfield, Mo. (and other points in southwest Missouri):

Take I-44 East to Rolla. Exit at Business Route 44 (Exit 184), turn right and drive to Bryant Road (next stop light) ... turn left onto Bryant and remain on the road as it turns to the right past the Missouri S&T Golf Course and prior to reaching Phelps County Regional Medical Center. After the turn, drive approximately one-half mile and turn right into the parking lost immediately past Allgood-Bailey Stadium.

From Kansas City, Mo. (and other points in western Missouri):

Take I-70 East to U.S. 63 in Columbia (Exit 128) ... turn right and remain on U.S. 63 South until you reach the Rolla city limits just north of I-44. Once in Rolla, remain on U.S. 63 until you reach 10th Street ... turn right onto 10th Street, drive past the Gale Bullman Multi-Purpose Building and turn left into the parking lot prior to reaching Allgood-Bailey Stadium.

From Columbia and Jefferson City, Mo. (and other points in central and northern Missouri):

Take U.S. 63 South until you reach the Rolla city limits just north of I-44. Once in Rolla, remain on U.S. 63 until you reach 10th Street ... turn right onto 10th Street, drive past the Gale Bullman Multi-Purpose Building and turn left into the parking lot prior to reaching Allgood-Bailey Stadium. **SEE NOTE BELOW**

NOTE

When traveling on U.S. 63 South to the north of Jefferson City, the highway will merge with U.S. 54 South north of the bridge which crosses the Missouri River, then branches off on the south side of the bridge. After taking the off-ramp to southbound U.S. 63, the highway will merge with U.S. 50 East. The roads will branch off approximately 12 miles east of Jefferson City just past the Osage River, with U.S. 63 heading south at that point to Rolla. Drivers should remain on U.S. 63 at all times.

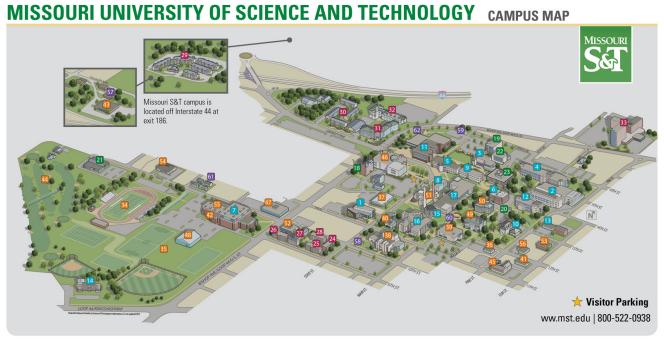

From West Plains, Mo. (and other points in southern Missouri):

Take U.S. 63 North until you reach the Rolla city limits. Once in Rolla, remain on U.S. 63 until you reach 10th Street ... turn left onto 10th Street, drive past the Gale Bullman Multi-Purpose Building and turn left into the parking lot prior to reaching Allgood-Bailey Stadium.

The clock will begin after the teams have left the floor from the first game. The teams playing in the second game will clear the floor when the clock expires for introductions and other pregame matters.

Basketball Media Information:

Media credentials are assigned to bonafide news media covering the game. Media will located courtside on the south side of the court and will have assigned seats. All media should enter the facility through the south gate and enter the arena on the second floor. Visiting radio stations should contact the S&T sports information office to request the use of a broadcast courtesy line, which will be provided to the official station of all opponents. All other commercial stations will be charged a rights fee.

Box scores and a full play-by-play will be provided at the conclusion of each game; box scores will also be provided at halftime and after every media timeout for the broadcast media and each team's bench. A box score will also be provided to each team's locker room at halftime. Soda and light snacks will be provided in a designated area prior to the game(s).

Post-game interviews: Anyone wishing to interview an S&T player must notify John Kean, sports information director or Luke Rinne, assistant sports information director, prior to the conclusion of the game. Media representatives are not allowed in the locker rooms at any time. For all media matters, contact John Kean at (573) 341-4140.

Cross Country/Track & Field (Men's & Women's)

Cross country meets take place at the Missouri S&T Golf Course, located at the southeast corner of 10th Street and Fairgrounds Road across the street from Phelps County Regional Medical Center. Parking for teams is available, but limited, in the parking lot of the golf course, the parking lot located on the west side of Fairgrounds Road across the street from the course, or in the parking lot of the Technology Development Center just east of the golf course. Do not park in the hospital parking lot. For meets, teams may utilize a locker room at the Gale Bullman Multi-Purpose Building, located approximately one-half mile east of the clubhouse for the golf course.

Track & field meets take place at Allgood-Bailey Stadium, which has a capacity of 8,000 seats. Parking for the facility is located in the main parking lot; buses should drop the teams off at either the north entrance to the stadium off 10th Street or in the parking lot at the southeast corner of the stadium near the locker room building. For meets, teams may utilize a locker room at the Gale Bullman Multi-Purpose Building, located across the parking lot east of the stadium.

NOTE

Competition for the discus and hammer throws take place at the Fraternity Row fields, located north of I-44. Directions from Allgood-Bailey Stadium to that location will be provided by the S&T staff at the site where the implements will be weighed. Implement weighing for all events will take place at a designated location within the stadium.

Contact the track & field staff for any pre-game arrangements. All media arrangements should be made through the S&T sports information office.
