Miners' 1995-96 MIAA Champions
MIAA Tournament Champions
NCAA Division II South Central Regional Finalist

Miners' 1974-75 NCAA Division II Tournament Team

MEN'S BASKETBALL RECORDS -- All-America Selections

Curtis Gibson (1984-85)

Gibson was selected as a third-team All- American by the National Association of Basketball Coaches (NABC) following a season in which he averaged 18.7 points per game. He was a three-time all-district and all-conference selection, and finished his playing career as the all-time leading scorer at Missouri S&T with 1,534 points. That total is currently sixth on the school's all-time scoring list. He was inducted into the university's Athletic Hall of Fame in 2002.

Duane Huddleston (1987-88)

One of the greatest outside shooters in MIAA history, Huddleston earned third-team All-America honors from the NABC after scoring 24.2 points per game. He made 52 percent of his three-point attempts and finished his career with a mark of 51 percent from behind the arc (both MIAA records). His ten straight treys made against Truman State in 1988 set the Division II record. His 1,475 points rank seventh on the Miners's all-time scoring list. Huddleston, who died in 1995, was inducted into the university's Athletic Hall of Fame in 2006.

Bill Jolly (1992-93)

Jolly was a third-team All-America selection by the NABC and Division II Bulletin after winning the MIAA scoring title with an average of 22.4 points per game. He was also an honorable mention All-American in 1992. Jolly is the all-time scoring leader at Missouri S&T with 1,920 points and holds school records for three-pointers and free throws made. Jolly won first-team All-MIAA honors twice and was also a two-time all-district selection. His point total ranks fifth on the MIAA's all-time scoring list.

Michael McClain (1995-96)

McClain was named to Division II Bulletin's All-America team as an honorable mention selection after leading the Miners to the 1996 MIAA championship and a berth in the NCAA Division II Tournament. McClain, who later served as an assistant coach in the Miner program, was also named as the MIAA's most valuable player for the season and led the conference in assists with a school record of 231. He came to Missouri S&T after playing two years at the University of Washington and later served on the Miner coaching staff.
