Coaches Corner by Coach Laws

As we go into the Holiday season, I have really been looking forward to going home and spending time with my family and my husband Kellen’s family. It will be a different Christmas for both of our families having both lost a grandparent over the summer. With everything that has happened over the past half year personally, this season I have come to appreciate my volleyball “family” even more. Yes we had our good and not-so-good moments, our proud moments, and even our dysfunctional moments; but we as a volleyball family have learned a lot about each other this year and have made lots of progress in how we work as a unit. Even though our family will be different when we come back this spring with Lynsey (Jorgenson) graduating, we must continue to support, encourage, and push each other like never before. If we do that this spring, the sky is the limit for this volleyball “family” next fall. Merry Christmas & Happy New Year! - Megan Laws / Assistant Volleyball Coach

Captains Corner by Lynsey

Dear Miner Volleyball Fans,

As we go into the Holiday season, I have really been looking forward to going home and spending time with my family and my husband Kellen’s family. It will be a different Christmas for both of our families having both lost a grandparent over the summer. With everything that has happened over the past half year personally, this season I have come to appreciate my volleyball “family” even more. Yes we had our good and not-so-good moments, our proud moments, and even our dysfunctional moments; but we as a volleyball family have learned a lot about each other this year and have made lots of progress in how we work as a unit. Even though our family will be different when we come back this spring with Lynsey (Jorgenson) graduating, we must continue to support, encourage, and push each other like never before. If we do that this spring, the sky is the limit for this volleyball “family” next fall. Merry Christmas & Happy New Year! - Megan Laws / Assistant Volleyball Coach

Miners 3-Peat in GLVC Attendance

The Miners have done it again...thanks to their fans that is! For the third consecutive season, the Missouri S&T volleyball team finished first in the Great Lakes Valley Conference (GLVC) in home attendance during the 2009 volleyball season. The Miners brought in a total of 6,325 fans into the Bobcat Multi-Purpose Building during the fall campaign for an average of 527 fans per match. The next closest GLVC average was Lewis University with 382 fans per match, Indiana (232 fans per match), Southern Illinois (242) and Missouri-St. Louis (201) rounded out the top five. S&T finished 4th nationally in NCAA Division II attendance in 2008 with a 315 fans per match average making S&T the only GLVC team in the top 50 in match attendance that year. The Miners also finished 16th in DI in attendance during the 2007 inaugural season. Final 2009 national ranking will not come out until early next spring. Thanks Miner Fans!!!

Friends, Family and Fans,

Well, there you go, the third year is done. My career is done. Just like that, just as quickly as it came into my life it’s gone. I have to say that the past three years has been such a joy and blessing to me. I am so thankful for everyone and everything that has been a part of this program for the past three years and has only helped shaped this team but helped shape me. I want to thank Coach Holt for taking me aside that December 2006 and convincing me to at least try out for the team, without that discussion things would be worlds different for everyone. I want to thank both Coach Holt and (assistant coach) Megan (Laws) for being like family as a player and as a person. To all my teammates, this year and previous years, I love you all so much. I appreciate all the support, friendship and laughs at my awkwardness. It is you that I will miss the most; hopefully you don’t replace me too soon! To my family and all the families that has been there for us, words cannot express the thanks that the team feels towards you. We love seeing you at our games. You are the drive behind us and that is in large part due to the parents.

---

2009 Miner Volleyball - UPDATE

The Miners completed the 2009, aka Season Three, with its best record ever. Not quite doubling the 2008 win total, but still notchings more wins than its first two seasons in the program’s history combined! Here are some highlights from the season...

- The Miners spent the first three weekends on the road at tournaments for its non-conference schedule, playing at Missouri Southern, St. Cloud State (Minn.) and Nebraska Omaha... Sophomore outside hitter Julie Meyer was named to the All-Tournament teams at MSSU and SCSU as well as earning second team All-GLVC on the year (see page 4).

- The 15-team GLVC-GLIAC Crossover tournament in Lansing, Mich. ... The 30-team event is the largest collegiate tournament in the country.

- S&T had its highest finish ever in the always tough GLVC, finishing 5-9 and placing tied for 10th (of 15), just out of qualifying for the GLVC tournament.

- The 2009 S&T team played national highs in total sets played as well as five-set matches this season (see page 4).

---

Missouri University of Science & Technology | Miner Volleyball Newsletter | December 2009
Jorgenson Ends Career w/ Miners

Saturday, November 7th, Senior Day, marked the end of the career of Miners Volleyball’s first senior, Lynsey Jorgenson (St. Louis, Mo.). The 6’6” middle hitter was one of the very first players that Head Coach Jason Holt selected for the inaugural roster in 2007. Jorgenson and four other transfer students were chosen during an on-campus tryout after the addition of volleyball to the Miners athletic department in the fall of 2006. Jorgenson was soon named team captain by Coach Holt and served in that position for all three seasons she played at Missouri S&T.

She finishes her volleyball career at Missouri S&T with 248 kills, which is currently sixth on the Miner career records list, on 695 attack attempts, and scored 358 points, sixth all time, in the 212 sets that she played in all. She also recorded 167 total blocks, second all-time, currently sixth on the Miner career records list, on 695 attack attempts, and scored 358 points, sixth all time, in the 212 sets that she played in all. She also recorded 167 total blocks, second all-time, and finished ninth all-time. She also recorded 167 total blocks, second all-time, and finished ninth all-time.

Jorgenson graduated this month with a degree in Chemical Engineering, with a biomedical emphasis as well as a minor in biology. She was involved in many things on campus including Chi Omega sorority, the Chancellor’s Leadership Academy and served as the volleyball representative on the Student Athlete Advisory Council.

Coach Holt and Miners Volleyball would like to thank Lynsey and her family, Wade, Lon and Anna for all their hard work and support that they and she have given to the program over the years. Good luck in all your future endeavors Lynsey! We Will Miss You!!!

Miners Set All-Time Highs in ’09

The 2009 fall campaign was a record breaking year in the Miner volleyball program’s short history. Many of the marks set in the two previous seasons were topped this season, including many single season individual and team records, single match records and the season also saw some Miners climb the career records lists.

Junior middle hitter Samantha Klump (Ash Grove, Mo.) set a single season record in attacks percentage, hitting .260 (663x-3006=1634a) (previous record [PR]: 0.214) on the year. She also set new top marks in all three blocking categories, 35 solo blocks (PR: 25), 108 block assists (PR: 58) for a total of 143 blocks (PR: 83).

Junior libero Bridget Williams (Topeka, Kan.) topped her own record for digs in a season when she registered an amazing 599 in 2009 (PR: 509). She has now recorded a total of 1,613 digs in her three-year career, also a Miner record.

Sophomore setter Danielle Kracl (Omaha, Neb.) served a new record in the Miner record books when she registered 44 service aces (PR: 35). Kracl also jumped up to first on the career aces list after two seasons with 1,155 (PR: 1,070).

Julie Meyer, sophomore outside hitter from Marthasville, Mo., set new single season records in kills with 496 (PR: 424), attack attempts with 1,310 (PR: 1,227) and points with 574.5 (PR: 469.5). Great Job Miners!

Miners Honored in the Classroom

NCAA Division II has a primary focus of creating an environment for the total student-athlete. Finding the balance for each individual both in the classroom and on the playing surface. Here are Missouri S&T, the Miner athletic department prides itself on its student-athletes having some of the highest academic achievements in all of Division II while Miner teams and individuals work hard to win championships in their respective sports. Miner Volleyball has shown lots of success on the volleyball court but more impressively, in the classroom.

Four Miner volleyball players were honored for their academic achievement for the 2008-2009 academic year recently. Juniors Samantha Klump (MH/Ash Grove, Mo.), Tory Smiley (SD/Springfield, Mo.) and red-shirt sophomore right side hitters Kaci Herron (Jonesboro, Ark.) and Kiz Spears (Valle Center, Kan.) all received the Academic Achievement Award by the Division II Athletic Director’s Association.

The current team holds a team GPA of over 3.25. Way to go Miners!!

* - Great Lakes Valley Conference (GLVC) Matches
**Heil Joins Miners Mid-Season**

Part way into the 2009 fall campaign, the Missouri S&T volleyball program was hit hard by injuries and illness. The roster that began the season at 16 was down to nine relatively healthy players, and Head Coach Jason Holt was in need of some help for depth on his depleted roster.

Holt called on freshman outside hitter/middle hitter Cathryn Heil (Dexter, Mo.), a member of the Lady Miner basketball team, to help out the volleyball team. The 5-10 Heil, was originally a recruit of both teams at S&T before deciding to concentrate on basketball as a freshman. At Dexter High School, Heil was a three-time letterwinner at both outside hitter and setter and a two-time All-Southeastern Missouri Conference selection in 2007 and 2008 in volleyball. She also earned All-District and All-Region honors in her final two seasons with the Bears.

Heil split time with both the volleyball and basketball teams beginning in mid-October when the Lady Miner basketball squad started their ‘09-’10 season, until volleyball completed their season November 7th. Although she didn’t see much in terms of playing time during the volleyball season, Heil’s athleticism and volleyball experience was very important and useful in practices, and added depth to the limited roster for Coach Holt on the year.

Heil is a biological sciences major at Missouri S&T. She plays both guard and forward for the Lady Miners, along with her twin sister Katelyn. Welcome to Miner Volleyball too Cathryn!!

**Miners Dig Pink for Breast Cancer**

For the second year in a row, the S&T Volleyball team dedicated the month of October to raising money and awareness for the fight against breast cancer, with two great events.

The Miners played their four home October matches with pink and white volleyballs as the game balls. Each night, one of the game balls were raffled off to fans who purchased tickets as they entered each match. All the proceeds, $160, from the raffles each night plus change that was collected from donations went directly to the Susan G. Komen Foundation for the Cure.

On October 10th, the team also had a Dig Pink® night. Supporters could give a per dig donation or make a flat donation to the cause. It was done in competition with Rolla High School who had their Dig Pink night earlier in the week. The Miners raised $572, but it was no match for RHS, who raised an amazing $2,111. Together S&T-RSH raised a total of $1,783 for the Side Out Foundation to help in the fight against breast cancer. Great Job Miners & Bulldogs!!

**Miner Volleyball Spring Roster**

**Costello Joins SAAC**

Freshman setter Jennifer Costello (St. Louis, Mo.) replaces Lynsey Jorgenson (St. Louis, Mo.) as one of the two volleyball representatives along with sophomore outside hitter Erin Bekebrede (St. Charles, Mo.) on the S&T Student-Athlete Advisory Council (SAAC).

Each S&T team selects two representatives who help provide insight on the student-athlete experience for all Miner athletes as well as provide assistance and information about NCAA rules, regulations and policies that affect student-athlete’s lives.

The Saac organize and participate in many events and activities for the entire athletic department as well as create community service opportunities for the Missouri S&T and Rolla communities.

**Miners on Facebook & Twitter**

Fans now have even more ways to stay connected with Missouri S&T Volleyball. The Miners are now branching out into the world wide web in two of the most popular social networking sites on the internet, Facebook and Twitter.

Facebook ([www.facebook.com](http://www.facebook.com)) and Twitter ([www.twitter.com](http://www.twitter.com)) are the two fastest growing social interaction websites in the country, with over 350 million members worldwide on Facebook and close to 10 million on Twitter.

Members of either site can put “Miner Volleyball” into a search and find the Missouri S&T Volleyball fan pages. Click “Become a Fan” on Facebook or “Follow+” on Twitter and follow along all year, with information updates, pictures, upcoming events, fundraising info, and lots more! Come become a Fan of the Miners and never miss a moment!
Meyer Earns All-GLVC Honors

Sophomore outside hitter Julie Meyer (Marthasville, Mo.) became the first Miner player in its three-year existence to earn All-Conference honors in the Great Lakes Valley Conference, when she was selected as one of the outside hitters on the Second Team All-GLVC roster.

The 5-10 sophomore lead the Miners in kills with 496, attempts with 1,310 and points with 574.5 all single season Miner records. She was also among the conference leaders in both kills, placing sixth with 3.44 kills per set average as well as finishing third in points averaging 3.14 points per set.

Meyer currently ranks first on the Miner career lists, after only two seasons in multiple categories, including kills (748), attack attempts (2,036) and points (865.5). She also sits in the top five in attack percentage (.178), service aces (54), block assists (81) and digs (588).

During the 2009 season, she was also named to the All-Tournament teams at both the Missouri Southern Volleyball Classic in Joplin, Mo. and the St. Cloud State Huskies Volleyball Classic in St. Cloud, Minn.

Miner Volleyball Gear - Huge Sale

Miner Volleyball is continuing its Huge Sale on Missouri University of Science & Technology (Missouri S&T) Miner Volleyball apparel & gear. Get yours now & to cheer on the Miners in S&T Style!

If you are interested in purchasing some of our Missouri S&T Volleyball items, please contact the Miner Volleyball Office at (573) 341-4721 or marrz9@mst.edu for available sizes & ordering.

Miners Play Most Sets in DII

Miner Volleyball is #1 in all of NCAA Division II...in total number of sets played in the regular season that is! Missouri S&T played an amazing 147 sets [games] during the 2009 regular season, which was the most played for any team in DII, not counting post-season. On top of playing the most number of sets, the Miners tied Southeastern Oklahoma State in the most number of five-set matches played in the season with 13.

Ironically, SOSU was Missouri S&T's first opponent of the 2009 season, with whom the Miners unfortunately lost to in five-sets.

NEW Miner Volleyball Gear

Have all the old shirts featured on the left? How about getting your hands on one of our NEW 2009 Miner Volleyball shirts and Media Guides? No better way to show your support than wearing your favorite volleyball team's logos for all the world to see!

*There will be a $3.00 shipping & handling charge for marked mailed items.

S&T Athletics Open Fitness Center

For the past few issues of the Miner Volleyball Newsletter, there have been a few updates about the progress of the Missouri S&T new fitness complex. Well, Miner Volleyball is proud to report that it is now complete and in full swing for Miner athlete workouts.

Thanks to many generous donations from the Anheuser-Busch Foundation, Roger and Sandy Dorf as well as the student body, Missouri S&T now has three brand new fitness rooms...one beautiful and large student wellness center, for the general student body and two smaller rooms for the Miner athletics department. The Miner Varsity Weight Room (see pic above) includes six double sided multi-functional racks with platforms, as well as many exercise specific machines, free weights and plyometric boxes. The Miner Fitness Room (see pic left) includes five treadmills, five ellipticals and five stationary bikes, all with embedded televisions for entertainment while working out. They even have the ability to record exercise data to a iPod or flash drive for future workouts. The fitness room also includes a spacious core area.

Missouri S&T Miner Volleyball begins its 3rd Annual OPERATION VOLLEYBALL: ‘Support The Miners’ fundraising program for the ’09-’10 year. The objective is to raise support & build opportunities for the success of the volleyball program. In order to secure the best possible playing environment for our program, we are asking supporters to donate to the Miner Volleyball program through tax-deductible monetary donations (receipts for taxes/records will be sent).

Funds raised through this program will be used to offset costs for the program: special trips & other travel, uniforms, equipment, locker room/office space renovations, team building activities & more. Supporters who donate can choose to receive support awards in return for their donation to the program, depending upon the level of sponsorship: **THANK YOU FOR YOUR SUPPORT!!**
