COACH’S CORNER by Coach Holt

This season has been so amazing, that is has been very difficult seeing it come to an end. The end of this season brings the end of an era as well. My very first recruiting class is now finishing their careers. In the fall of 2007, we brought in 13 true freshmen to go along with our four great players we found on campus. And although we lost a few of those players along the way... the bulk of that class has helped build this program from nothing to a winning program in four short years. Not many players get to build a volleyball program from scratch, but that’s exactly what these young women have done. I am extremely proud of them all... whether they played one year or all four years, they all played a piece into what this program has become. All of them have been critical to our success and I have shown each season. So thank you to all the players that have worn a Miners Volleyball uniform over the past four years. It is because of you, we are where we are now. Looking forward to many more years to come with our returning players and our newcomers. But most important: THANK YOU SENIORS!! You will be greatly missed!

‘10 Season Awards Handed Out

On Sunday December 5th, the Miner Volleyball handed out its 2010 postseason awards at their end-of-season banquet at Benton Square in Rolla. As usual, other than many skill awards based on season stats, several players earned honors that were selected by both the team and coaching staff. Senior middle hitter Samantha Klump (Ash Grove, Mo.) was chosen as the team’s Most Valuable Player when she received the Rock Award for the ’10 season. Sophomore setter Jennifer Costello (St. Louis, Mo.) received the Miner Heart & Spirit Award, which is awarded to the team’s most inspirational and passionate player. Costello is the first to earn the award other than former middle hitter Lynsey Jorgenson (St. Louis, Mo.) who won the award the first three years of the program’s existence. Costello also received the Miner Hustle Award, given to the player who gave their all in practices on a daily basis.

Freshman middle hitter Melanie Shehorn (Flora, Ill.) was named as team’s Most Improved Player on the year. The Miner Strength Award was awarded to two players this year. Redshirt junior right side hitter Kaci Herron (Jonesboro, Ark.) and freshman outside hitter Hayley Wright (Omaha, Neb.) for their continual hard work and improvement with team strength training and conditioning.

The Miner coaching staff awarded the Coaches Award to Costello as well as to senior defensive specialist Bethany Bray (Shenandoah, Iowa). This award is given to the player(s) that the coaching staff believes gives the most of themselves to the team on and off the court, overcomes adversity, leads by example, while also showing a strong desire to improve and develop as an overall player. The banquet also included speeches by the captains and coaches, an season slide show, a special award (see right above) and the traditional and hilarious freshmen player skit.

Great 2010 Season Miners!!!

2010 Miner Volleyball - UPDATE

Season Four is in the books. The end of the 2010 season was by far the best in the Miners short history, seeing the team earn its first winning record, going 14-13 on the year. Here are some highlights from the season...

The Miners spent the first two weekends playing their non-conference schedule, first on the road down in sunny Florida at Florida Southern, and then at home where they hosted the 2nd-Ever ‘Middle of Everywhere’ Classic. Senior middle hitter Samantha Klump was named to the All Tournament at both tournaments, while junior outside hitter Erin Bakedrede was also selected at the home tournament.

The 15-team GLVC was invited in the 3rd annual GLVC/GLIAC Crossover tournament in Chicago, Ill... The GLVC handed the GLIAC its first loss in the 30-team event, which is the largest collegiate volleyball tournament in country.

S&T had its highest finish ever in the always tough GLVC, finishing 8-8 and placing tied for 9th (of 15), just out of qualifying for the GLVC tournament.

The Gale Bullman Multi-Purpose Building was again the site of the one of the highest volleyball attendance states in the GLVC (see page 2).

Four different Miners finished in the Top 10 statistically in the GLVC in all seven different categories (see page 4).

GREAT JOB THIS SEASON MINERS!!!

Special Award Given to Iron Mike

47,417.89 miles! That’s approximately how many miles Mike Kuhn (right) traveled in four seasons, cheering on his daughter, senior libero & co-caption Bridget Williams (right & below) and the Miner Volleyball team. Kuhn attended every Miner Volleyball match, home and away, with the exception of one weekend when another daughter was getting married, from 2007-10. The Miners honored him for this incredible feat during the post-season banquet with a special award. THANK YOU IRON MIKE!! We will miss you in the stands!

CAPTAIN’S CORNER by Bridget

Hey Everyone!!

With a winning record, reaching our goal of being over .500, and having our “Best record ever,” the Missouri S&T Volleyball team had a great season. I will never forget my freshman year when we were a completely new program. Our record that year was 3-31 and never did I imagine that 3 years later we could make the program a strong, respectable and winning program.

This season our team did things and won games that we weren’t expected to and in the years to come I know that this program will continue to grow.

With eight seniors leaving there will be some big shoes to fill, but the coaches have recruited some great players that are very talented and I know they will all step up and keep the program going strong.

I am so glad that I had the chance to be a Lady Miners and wish the best of luck in the years to come!! GO MINERS!!
8 Players End Careers w/ Miners

This year’s Senior Day, Oct. 30th, was a very memorable day in our program’s four year history. It marked the end of the careers of most of the very first class of the Miner Volleyball program. Head Coach Jason Holt brought in a class of 13 true freshmen to go along with four players found on campus in 2007. Over the next four years, players in that class were redshirted, lost and even one was added. Eight players finished their careers with the program this season…

Bethany Bray (Shenandoah, Iowa), Katie Herington (Kalona, Iowa), Kaci Herron (Jonesboro, Ar), Tory Holderby (Springfield, Mo.), Samantha Klump (Ash Grove, Mo.), Jessica Laughary (Hearington, Mo.), Annie Smith (Flinn, Mo.) and Bridget Williams (Topeka, Kan.).

Coach Holt and Miner Volleyball would like to thank all of these amazing women and their families for all their hard work, dedication and support that they have given to the program over the years. Here is an look at how each finished their careers with the Miners…

* - Great Lakes Valley Conference (GLVC) Matches

Miners 2nd in GLVC Attendance

For the first three seasons in their volleyball history, the Miners dominated the Great Lakes Valley Conference (GLVC) in one area... home match attendance. S&T has been one of the top programs in the country in match attendance, ranking first in the GLVC three straight seasons and as high as 14th in NCAA Division II last season. The 10 Miners brought in a total of 3,675 fans into the Gale Bullman Multi Purpose Building during the fall campaign for an average of 298 fans per match. That average was second in the GLVC to only Lewis University who averaged 431 fans per match. Southern Indiana (231 fans per match), Rockhurst (224) and Indianapolis (209) rounded out the top five.

Captain’s Corner by Katie

Hey All,

I can’t believe it’s over! It went by so fast! I had an amazing senior season and I know the rest of the seniors did as well. It saddens me that my time on the court is over, but I’ve had four great years and have made so many memories I’ll never forget. I know I’ll miss the girls the most. The bond with my teammates can never be replaced and I’ll miss everyone so much. Good luck to the girls next season and in the years to come.

I want to say thank you to everyone who played and supported us these past four seasons. No matter what role you played, it was essential to our team’s success. I want to give a special thank you to all the parents. There was at least one set of parents at every game, even on the road...of course we had some support from the home teams. Thank you for being there...through the wins and the losses. We wouldn’t be the people we are today without you.

To my Mom & Dad, thank you for 10 amazing years of volleyball. I can’t even begin to thank you enough for all the support you give with everything. I’ll know you’ll miss it as much as I do. Thank you.
With the loss of eight players (see page 2) off the 2010 volleyball team, Missouri S&T head coach Jason Holt went out and signed six players in the early signing period to help replenish the roster.

The newcomers include freshmen Jessica Holder (Independence, Mo.), Emily Jaeger (St. Louis, Mo.), Alison Mueller (Bartelos, Ill.), Sydney Wheeler (Ozark, Mo.) and Jaclyn Zellmer (Nixa, Mo.), as well as junior college transfer Kelly Kosmopolis (O’Fallon, Ill.).

Says Coach Holt about the 2011 class, “We graduate our very first recruiting class. The eight outstanding seniors this year and they will be impossible to replace. However, this new class of is up to the challenge of picking up where our seniors left off. I am excited about the addition of these six outstanding student-athletes to our fifth season of Miner volleyball. Each brings something unique to the program and will provide us outstanding options in all positions both offensively and defensively. All six are very strong students that will excel in the academic atmosphere of S&T. We are honored to have them apart of our program.”

Along with the eight returning players, the signing brings the 2011 roster to 14 for their fourth season of play. Holt hopes to sign a few more in April to round out the 2011 roster.

Here is an individual look at each of the new 2011 incoming Miners...

Emily Jaeger (Ozark, Mo.) and Jennifer Kegler (St. Joseph’s Academy) played club volleyball for the Angels helping them to state championships in 2008 and 2010 as well as a fourth place finish in 2009. Her senior year Jaeger registered 61 digs averaging nearly a dig per set. She plays club volleyball for High Performance Volleyball Club, one of the top clubs in the Midwest.

Sydney Wheeler (Nixa, Mo.), as well as junior college transfer Kelly Kosmopolis (O’Fallon, Ill.), comes to S&T after a successful two seasons at Mineral Area College. This fall, she hit .410 while averaging 1.67 kills/set and 1.01 blocks/set. Kosmopolis has finished top 25 nationally in both attack percentage and blocking while at MACC. She was a first team all-conference and all-region selection as well as a two-time scholar athlete and academic all-conference.

Heading into the match Williams needed 19 digs in the team’s final three matches of the season. She only ended up needing one though, digging up 26 balls on the night to top the 2k mark.

She finished the 2010 season with 463 digs to bring her career total to an amazing 2,076 digs. GREAT JOB BRIDGET!!

Costello maintains a cumulative grade point average of 4.0 in chemical engineering and is the primary setter in S&T’s offense. She also serves as a volleyball representative to the Student Athlete Advisory Council (SAAC) and volunteers her time to many causes around the S&T campus and the Rolla community.

To be eligible for nomination to the ESPN the Magazine Academic All-District Team, student-athletes must be a starter or important reserve with at least a 3.30 cumulative grade point average.

**GLVC to Add Two New Members**

The Great Lakes Valley Conference (GLVC) has announced that William Jewell College (Kansas City, Mo.) and McKendree University (Lebanon, Ill.) have been admitted to the Conference soon to bring the league’s membership to 17 institutions.

The two institutions will begin regular season competition in the GLVC in different academic years. WJC will begin GLVC competition next fall in 2011-12, while McKendree will begin competition the following year in 2012-13 in most sports, with the remaining sports beginning competition, including volleyball, in 2013-14.

William Jewell will play a full GLVC volleyball schedule this next fall, including participating in the 2011 GLVC-GLIAC Crossover Tournament in Aurora, Ill. for the first time. Missouri S&T Miner Volleyball will play WJC twice in 2011, at WJC on Sept. 17th and at home on Nov. 4th during the 2011 fall campaign.
