Coach Remley to become Coach Laws

First-year Miner assistant volleyball coach Megan Remley will officially be changing her name on July 26th, 2008, when she exchanges wedding vows with her fiancé, Kellen Laws (Farmington, Mo.) in Kansas City, Missouri. The ceremony will take place in front of the couple’s families, friends, as well as coaches and players...both current from Missouri S&T, and former from Southwest Baptist University where Megan was a graduate assistant coach for two seasons.

The Laws’ will reside in Rolla, where Kellen will be teaching math and taking over as head coach of the Rolla High School wrestling program, as well as assisting with football. Kellen taught most recently in the Springfield (Mo.) school district at Parkview High School while Megan was coaching and earning her masters degree at SBU. CONGRATULATIONS MEGAN & KELLEN!!

2008 Miner Volleyball - UPDATE

The spring has been a very busy time for Miner Volleyball this inaugural year. The Non-Championship Season (aka...Spring Season) officially began on March 19th, just prior to the Missouri S&T Spring Break. The season started with full team practices, going 3-4 times per week, as they prepared for four competition dates in April and May. Competitions began with a Division I and NCAA Top 25 opponent at the University of Missouri, aka Mizzou. After an outstanding showing at Mizzou, the Miners traveled to Central Missouri University, where they played great against four great Division II opponents. S&T followed that tournament up with another tournament at Southern Illinois-Carbondale, before completing the spring season at Southwest Baptist University. The non-championship season showed everyone that the Miners have improved a great deal through Year One and definitely a team to watch in 2008! What else has been going on with the program this spring? Lots!

The team continued lifting and conditioning throughout the spring, getting stronger, faster and jumping higher. They concluded with physical testing before getting a much deserved two-week break before beginning their summer workouts.

The team is now gone for the summer...most are working, some are taking summer classes and some learning in internships (see page 4). Also this summer, the program...coaches and players, will be involved with all sorts of different volleyball camp opportunities, both on and off campus.

Recruiting has been a big focus this spring, and the coaching staff have brought in five outstanding new players to round out the 2008 roster (see page 2). The program has also been continuing to raise funds throughout the year (see page 7) and are in need of possible ‘Friends of the Program’ (see Operation Volleyball 2008 on page 8, if interested in helping the program) as they attempt to better last year’s money total to better our sophomore program.

Now, its time to prepare for the upcoming 2008 fall season...scheduling, travel arrangements, equipment orders and preparing for the players to return to Rolla at the end of their break! We can’t wait to get started! Let Year Two Begin!
Miners Commit Four More...Five Total to the 2008 Roster

The Missouri S&T volleyball team will begin its second season in August of 2008. While returning 14 players from last year’s inaugural season, Miner head coach Jason Holt has added two additional outside hitters, one setter and one defensive specialist/libero from the class of 2008 to his roster.

The four recent senior commitments include defensive specialists/libero Jennifer Kegler (Ballwin, Mo.), setter Danielle Kracil (Omaha, Neb.), and outside hitters Julie Meyer (Marthasville, Mo.) and Chelsea Winkelmann (Rhineland, Mo.). They join outside hitter Erin Bekebrede (St. Charles, Mo., left) who signed with the Miners in November 2007.

“I am extremely excited about the addition of Jenn, Dani, Julie and Chelsea to go along with Erin, to our already outstanding roster here at Missouri S&T,” said Holt. “These five will definitely strengthen and deepen our outside hitter, setter and defensive specialist/libero positions which, when healthy, was already strong. We do have some injuries to overcome, but these five will definitely help us this next fall and in the future.”

Here is an look at each of the new 2008 freshmen Lady Miners...

Kegler (right), comes to S&T from Cor Jesu Academy in St. Louis, where she helped lead the Chargers to a 33-8 record and a Class 4 runner-up finish in the 2007 Missouri state championships. She finished with 324 defensive digs and a .295 dig per game average, leading the team in defensive digs and setting a program record for defensive digs in a single game with 16. Kegler recorded a 91% serve receive passing efficiency on 274 pass attempts while also recording 16 service aces. She played club volleyball for the nationally competitive Team St. Louis Volleyball Club, helping her teams to the Junior Olympic National tournaments during her club career.

Kracil (left), graduate of Omaha Burke High School, was named to the Omaha All-Metro and Nebraska All-State honorable mention rosters following her senior season finishing in the Top 10 in Class A in both assists and service aces. She earned the same honors following her junior season helping lead her team to a District A-1 Championship in 2006 and a 3rd place finish in Class A State. Kracil was named team captain and voted Outstanding Team Leader during her final two seasons. Kracil played club volleyball for Omaha Wave, helping lead her team to a four Junior Olympic National tournaments during her club career.

Winkelmann (left) is also a multi-year first team all-conference, all-area, all-district, all-region and all-state volleyball honoree of St. Francis Borgia High School. She finished her senior season with 352 kills on only 617 attack attempts, hitting .439 attack pct. She also finished with 106 total blocks (34 solo & 17 assist), 237 defensive digs, and 44 service aces during her final year of high school volleyball.

Assistant Coach: Megan Remley (1st season)
**Captain’s Corner - Note from Lynsey**

**Friends, family and fans,**

Happy Summer! We’ve finally ended spring and gotten away from Rolla for a little R&R. Just to recap the spring, I think we did some great things. We played pretty well against the teams we came up against and I am looking forward to the fall so when we have our full (healthy) team we can go out and beat all those that thought we were just a young team last year. I am proud of all our girls for the hard work they’ve done this spring and I hope everyone keeps it up during the summer!

I would like to congratulate our new Co-Captain Bridget Williams (see page 4). We wish Ashlyn Balensiefer the best of luck at her new school. I know Bridget will be a great leader and inspiration to our team as she as already proven all year and I look forward to working with her as captains.

I would like to also welcome our newest members that are joining Erin to make up our new freshman class, Julie, Chelsea, Dani, and Jenn (see page 2). We were able to play with all the girls except Jenn during either campus visits or while they we in Rolla for PRO days. I am excited to get to know all the new players and welcome them into our team. Also congratulations on your high school graduations. I hope everyone has a fun and safe summer and before you know it, it will be August again! Hope to see our amazing fans out there to help us break more attendance records!

**MVPs & Scholar Athletes Honored...Team GPA Over 3.0!**

The Missouri S&T M-Club honored the Miner Athletic department at its annual Student-Athletes Awards Banquet on May 7th.

The M-Club presented awards to the Most Valuable Player(s) for each S&T athletic team, including the 2007 volleyball MVPs Ashlyn Balensiefer (Fr., S, Lafayette, Ind., right top) and Bridget Williams (Fr., DS/L Topeka, Kan., right bottom). Balensiefer, who unfortunately will not be returning in the fall, and Williams were chosen by the team for the 2007 fall season last December, winning the team’s “The Rock” Award.

The M-Club ceremony also honored Miner student-athletes who have achieved a 3.5 accumulative GPA, after the first semester of the current school year.

Six players (below) from the volleyball roster were honored for their academic excellence this year with the S&T Scholar-Athlete Award. The six honored players include: Redshirt freshman setter Tory Smiley (Springfield, Mo.), as well as true freshmen right side hitter Kaci Herron (Jonesboro, Ark.), middle hitter Hope Mooberry (Morton, Ill.), outside hitters Leandra Pelae (Dunlap, Ill.) and Kit Spears (Valley Center, Kan.) and right side/outside hitter Lauren Summerville (Fenton, Mo., right).

The team finished the spring semester strong with a team GPA over 3.0 for the second semester in a row, including two 4.0 GPAs from Herron and Spears.

GREAT JOB MINERS!!!
Gale Bullman to Get Makeover This Summer

The gymnasium floor of the Gale Bullman Multi-Purpose Building, the home of Missouri S&T Miner Volleyball, will be going under a complete makeover this summer when the new Missouri S&T logos and colors will be replacing the existing University of Missouri-Rolla (UMR) logos currently in use. The two black UMR logos on both sides of the court, will be replaced with a large print of the new Missouri S&T athletics logo (below) in center court. The new athletics logo is part of the transition from UMR to Missouri S&T. The below logo will soon be seen on many new athletic apparel items and uniforms including the Miner football helmets.

For the gym floor, there are plans to see a new color border, with a thick forest green border to replace the black as well as having the court named after former Miner Men’s basketball coach Billy Key, who coached the Miners with a winning record from 1964-1987. The floor would sport a signature of Coach Key along with the traditional Joe Miner logo.

The renovations to the floor will take place in mid-summer following some repairs to the Gale Bullman roof. Look for the court to be completed by the August 11th volleyball pre-season start date. The new look court would then be unveiled to the public on August 25th when the 2008 Miner Volleyball team hosts their second annual Gold & Green Intrasquad Scrimmage. The scrimmage will be FREE to the public and a great week to meet the players and learn a little bit about the game of volleyball for the season.

Holt Named to the NCAA Regional Advisory Committee

Missouri S&T Head Coach Jason Holt has been named by the Great Lakes Valley Conference (GLVC) Executive Committee as a representative of GLVC Volleyball on the NCAA Great Lakes Regional Advisory Committee.

Within the NCAA, each sport appoints an advisory committee in each of their eight respective regions to assist in the evaluation of teams throughout the season to help determine regional rankings for the NCAA regional tournament. Holt, along with University of Indianapolis Head Coach Jody Butera-Rogers, will represent the 13-team GLVC in the NCAA Great Lakes region which also includes the 12-team Great Lakes Intercollegiate Athletic Conference (GLIAC).

Williams Chosen New Team Captain

Prior to the start of the spring competition season, the team was given the opportunity to select a new team captain to replace Ashlyn Balensiefer, who is transferring to another institution in the fall. The players chose freshman libero Bridget Williams to serve as team captain along with returning captain Lynsey Jorgenson for this spring and next fall.

Williams led the Miners during their inaugural season of 2007 in defensive digs with 505 and service aces with 35, earning Top Server Award, Top Defensive Player Award, and co-Top Passer Award (with freshman defensive specialist Annie Smith), along with being named a recipient of the “The Rock” Award for team’s Most Valuable Player (along with Balensiefer).

Captain’s Corner - Note from Bridget

Hello Everyone!

Spring is over and it is time for summer! That means summer jobs, internships, vacations, and of course workouts! We all made it through Spring ball, and in the end we all came out better than we were before. From the time we got back from Christmas break and started weights, conditioning, individuals, and team practices again until our last day of testing, we improved every day. Being able to lift more weight, run faster, jump higher, and do more push ups and sit ups than when we tested in January.

On the volleyball court we saw all of our hard work in individuals and practical pay off and got to see our awesome fall redshirts get to finally play! We won some and lost some, but took something from each match to work on to start preparing us for the fall. We welcomed an amazing new addition to our team Coach Remley (soon to be Laws...see page 1). She came in from the start really helped us get through spring ball and workout, since she had been there before and we are excited to continue to have her next fall.

We are also excited to add five new freshman to our roster in the fall...Erin, Dani, Julie, Chelsea and Jenn (see page 2) are all going to be very important and great additions to our team and we are very excited to have them! So have a good summer and I look forward to seeing everyone in the fall!

Miners Earn Internship Opportunities This Summer

For most, the summer means relax or vacation, time with family, maybe summer school or a summer job. But for some it means learning on the job at an internship. Internships are a great way for students to still make money for the summer but learn and bolster their resumes for their futures at the same time.

Three Miner volleyball players will be spending this summer working at different internships, including sophomore middle Lynsey Jorgenson and freshman rightside Maddie Owak and DS/libero Annie Smith.

Jorgenson (top right) is in Tulsa, Okla. at the Linde Process Plants as an interm working in their Gas and Refining department, taking natural gas and purifying it to be sold as different fuel products by removing contaminants. She helps collect drawings, specifications, perform calculations and compile budgetary info to create project proposals.

Owak (left) is working in Chicago, Ill. for the Magellan Development Group as an Architects assistant, going to different buildings that the company is developing and meeting with homeowners to run through which items might need to be repaired, fixed or altered within the unit. She then does the paperwork that goes to the general contractor to fix the problems in order to close the unit, so that the homeowner can move in.

Smith (bottom right) is an intern at AT&T in St. Louis, Mo. in their IT department in the Rapid Deployment division. She works with documents to determine the current usage of forms that are constantly being updated and maintained. Those that aren’t being used will be retired, which she will also be doing as apart of her job in the upcoming months.

Of course the players will also spend time with family and friends, take some time off and of course do their summer workouts to prepare for the fall volleyball season.
I was late. In all my 17 years, at the time, I wasn’t nearly as nervous as I was that day. The day I arrived in Rolla, Missouri: to stay.

For the next nine months, this was to be my home. I made it, I unpacked, moved in, said goodbyes and started a new life. All I could think of was: did I work-out enough? Am I going to remember how to hit? Are the girls going to think I am too weird? Am I going to be able to feed myself? But after that night, much to my surprise, that was all the worrying and thinking I was going to do all year! That day, 17 individuals met; 17 wonderful girls that would grow into 17 incredible women. Each from a different part of the country, bringing their own charm, their “y’alls”, their favorite sports teams (no matter how bad they were), taste in music (or distaste in music), what they considered as dirty, rough, touchy-feely (according to Apples to Apples), their fears, but we all had one dream, one hope, one desire. We played the sport for 4 years but none of us has been put into a situation as unique as the one we found ourselves in that August.

We couldn’t look up or down to anyone, we could only look around; we were all equal during those months.

We laughed, we cried, we yelled (nicely and not so nicely), we (those that were able) whispered together. We even learned when all forms of communication to the outside world were cut off, that we could turn to each other, not because we didn’t have a choice... but because we wanted to.

With every long drive, slow bear crawl, 6AM workout: memories were made. Some sad, most happy, these first few months of our college lives will stick with us forever.

We have grown into more than just a team, but a force. Not only on the court, but off.

Rolla hasn’t seen that many girls in years let alone together. Not only did we play together, we hung out together, ate together, watched movies, went to parties, we weren’t known as individuals, but as the ‘volleyball girls’.

After going through a year, we learned that there also wasn’t an in-season or off-season: but a changing of schedules. The late winter and spring months were different for us. There were hard workouts, rough times, free weekends, less practicing, but still we were the same girls with the same goals. We often found ourselves trying so hard to get out of workouts, to see if we could make it easier, but we didn’t stop to notice that though all that struggle: we never succeeded, we still worked hard, and we still managed to survive!

The lessons we learned in those first few months stuck. We became responsible teammates. No longer were we 17 girls, but rather one team, working hard for the person next to us, rather than ourselves. And yes, sometimes when we wanted to give up on core routines: the thought of us in a swimsuit this summer pushed us pretty far, but the thought of the girl next to you catching you skip reps was far scarier!!

We depended on each other for support, for advice, not only on how to hit the ball, when to leave on a rip or a slide, but if blue and black really go together, if this dress makes my thighs look bigger than they already are, is this boy really worth all my trouble?

Throughout this first year, we have shared so much together, winning, losing, food, clothes, shoes, boys, answers to homework, wisdom, sarcasm, movies, pictures, everything! I didn’t know who I was until I met those 16 girls. I never was a student at UMR or Missouri S&T. I never was a psychology major. I was a volleyball player.

I love the sport, I love the game, but more than all of that, I love the girls I play with. I love when they get excited. I love how hard they work. I love how smart they are. I love how funny they are. I love how they walk into a room and everyone stops and stares, I love all of them, and without them, it would just be a ball and a net.

Victory, girls: its Coming!!!

Lauren Summerville is a freshman right side and outside hitter from Fenton, Mo. Thank You Lauren! Great Job!!!
The 2008 Miner Volleyball Camps include:

- **General All-Skills Camp**: July 21-23
- **Advanced Specialty Camp**: July 21-23
- **Little Diggers Camp**: July 24

Campers will learn or fine tune all their volleyball skills as well as get some great opportunities for competition and establish new friendships throughout the camp sessions.

Interested campers &/or parents can get information as well as register online with the direct links for each camp on the S&T Athletic Department website at: [http://sports.mst.edu](http://sports.mst.edu).

---

**Middle of Everywhere Classic Logo Unveiled**

During the first weekend of the 2008 fall season, August 29th & 30th, Missouri S&T will host the Holiday Inn Express’ *Middle of Everywhere* Volleyball Classic in the Gale Bullman Multi-Purpose Building (see March 2008 issue). S&T and Rolla will be welcoming many great local and nationally competitive teams including, Grand Valley State (Mich.), Missouri Western State, Pittsburg State (Kan.), Southwest Oklahoma State, St. Cloud State (Minn.), Truman State (Mo.), Missouri-St. Louis, North Alabama, Southern Indiana and host Missouri S&T.

The new logo (above right) for the first-ever Classic was recently completed and will be used for all advertising and merchandising for the event.

Says S&T Head Coach Jason Holt, “With NCAA Division II National Champion teams and Runner-Up teams coming to Rolla to compete, its an event that the Rolla and Missouri S&T communities just shouldn’t miss out on. It should be an amazing volleyball event for all fans of the sport of volleyball!”

**Miner Volleyball on the Web**

Interested in learning more about Missouri S&T Miner Volleyball? Check us out on the web! Go to the Missouri University of Science and Technology Athletic Department website:

[http://sports.mst.edu](http://sports.mst.edu)

Find all sorts of information about the S&T Miner Volleyball program…the players and its coaches. See the 2008 fall schedule, details about the 2008 Holiday Inn Express’ *Middle of Everywhere* Volleyball Classic (see left), the 2008 fall roster complete with player and coach bios. Browse releases including bio info, photos and quotes from head coach Jason Holt for incoming players who have signed National Letters of Intent to play for the Miners in 2008. There are also season stats, register for Miner Volleyball camps, or you can download our media guides or previous Miner Volleyball Newsletters. Interested prospective student-athletes can even fill out and submit an online recruiting questionnaire for the S&T Volleyball coaching staff to consider players for future rosters. **CHECK US OUT!!**
As of June 1st, 2008, we have raised close to $12,000 for Miner Volleyball thanks greatly to the below people and businesses who have graciously given to our program. We so very much want to thank each and everyone of you for your support, and we hope that you continue to support our program as we continue to grow going into our sophomore season in the fall of 2008. *List of our Generous Donors:*

**Diamond Miner Club**
($2,500-$4,999)

Miners Score Well with Car Wash & Pizza Inn Fundraisers

On April 26th, the Lady Miner volleyball players and coaching staff were out in force to raise money for the program by sponsoring its *2nd Annual Lady Miner Volleyball Car Wash.* The car wash this year took place at two Rolla locations at the same time, *Kroger Supermarket* and *Wal-Mart.* The current team was split up at the two sites in an attempt to double last’s years total which netted over $700 in 2007. The 2008 car wash nearly did double that amount, raising over $1,300 for the program.

In addition to the car wash itself, the Miners were selling BBQ hamburgers and hot dogs, chips and drinks as well as their brand new Missouri S&T Volleyball t-shirts (see above).

It was a fairly chilly morning, but eventually warmed up and the good people of the Rolla community came out in droves to get their car washed, eat some good food grilled to perfection by player Lynsey Jorgenson’s father *Wade Jorgenson* and Coach Remley’s fiance *Kellen Laws* (see page 1) and support the Miner Volleyball program. A major thank you goes out to Wade & Kellen for cookin’ up some good eats!

The following Sunday, May 4th, the Miners were out again raising money for the program serving as hostesses and servers at the Rolla Pizza Inn. The team worked three hours and received 20% of the totals during that time plus all tips. The team took home $300 for their time and effort.

Thank you so much to everyone who came out to Kroger’s, Wal-Mart and Pizza Inn to support our volleyball program. The players and the coaches truly appreciate it.

**S&T Miner Volleyball Gear Available - BUY YOURS NOW!**

Fall 2008 will make the first season of Missouri S&T Volleyball! So that makes now the time for fans and friends to pick up their own brand new *Missouri University of Science & Technology (Missouri S&T)* Miner Volleyball apparel to cheer on the Miners in S&T Style!

If you are interested in purchasing some of our new Missouri S&T Volleyball items, please contact the Miner Volleyball Office at (573) 541-4721 or marrz@emst.edu or available sizes. Items on Sale:

**NEW Dark Green & Gold Missouri S&T Miner Volleyball (left)**
- $15.00

Free 2007 UMR Volleyball Lady Miner Autograph Card included for all purchases. (Autographs not included.)
Miner Volleyball begins the 2nd Annual "Support The Miners" fundraising program for our upcoming 2008 fall season. The objective is to raise support and build opportunities for the success of the volleyball program and its players. In order to secure the best possible playing environment for our program, we are asking supporters to donate to the Miner Volleyball program through tax-deductible monetary donations (receipts for taxes/records will be sent).

Funds raised through this program will be used to offset costs for the upcoming 2008 season: travel, uniforms, training equipment, locker room and office space construction/renovations, team building activities and more. Supporters who donate can choose to receive support awards in return for their donation to the program, depending upon the level of sponsorship:
